В этом обновлении:

Полностью обновили раздел с аналитикой. Теперь там можно посмотреть, сколько, кому и за что вы платите, как тратите деньги по карте, сколько получаете на свой счёт в Точке, увидеть точные данные по категориям расходов и сравнить их с цифрами по прошлым месяцам, чтобы вовремя заметить расхождения со своими прогнозами и принять верные управленческие решения.

С ним вы сможете отслеживать уровень риска онлайн, чтобы не получить запрос документов или лимиты на операции из-за неосторожного платежа.
